

FP7 INFO DAY "HEALTH"

ERRIN INFO DAY, Brussels, 15 February 2007
Veneto Region, Rue de l'Industrie 22, 1040 Brussels

The European Commission launched on 22 December 2006 the first Calls of the "Health" theme of the specific programme COOPERATION of the 7th Framework Program.

This info-day will address the following topics:

- i. major diseases and infectious diseases**
- ii. public health and health management**
- iii. health biotechnologies**
- iv. ERA-NET for life sciences**

The Veneto Region together with ERRIN is also organising a Marketplace to support and facilitate the creation of common proposals and future collaborations.
