NOTE: For those who want to attend only the morning session is enough to fill in this reply form. Should you want to stay also for the market place of the afternoon, it is then mandatory to fill in the reply form AND the Market Place participation profile, both enclosed in the e-mail. We stress in particular the necessity to give us a detailed profile in order to ensure the effectiveness of the market place. The more information you give us, the best we can arrange the round tables.

This reply form is to be sent to the Veneto Region Secretariat

before **9 february 2007**.
